# WESSEX WYVERN'S CLASSIC

Artisanal Gin | MINI

Some say that good things come in small bottles, and we couldn't agree more. These mini bottles are the ideal tasting sets whether you are stocking up your home bar, creating a collection, giving them as party favours or as gifts.

## Tasting notes

### Color

Clear

### Aroma

The bouquet reveals a strong juniper and liquorice note with a peppery and aromatic core.

### Taste

Honey and lemon-sweet accents, although the fiery note remains all the way. Strong, full-bodied and powerful on the palate.

### Finish

The finish shows a remarkably crisp, pure gin.

Wessex Distillery Gin Wessex Distillery is a family-run, local craft gin distillery based in the heart of Surrey Hills. The multi-award-winning distillery specialises in producing premium gins, using botanicals sourced from the beautiful English countryside. They explore the different flavours of fruits, berries and plants known to be available in Wessex in the Middle Ages to incorporate them into their creations. Their flavours speak for themselves & their bottlings are stunning inside and out! The original shape was inspired by ancient potion bottles. The coin that hangs around the neck of the bottle is a replica of an Alfred the Great coin, of which the Distillery possesses one of three remaining. Interestingly this was the first coin to have a monarch's face presented on it. The Wessex logo is a Wyvern which is the symbol of Wessex and it wraps around the iconic Wessex Gin goblet.
