IMAYO TSUKASA IMA FOR OYSTERS

Junmai Sake | 65% Rice Polishing

Light, Fresh & Dry. A sake that has been specifically created to be paired with oysters. Like a fine white wine, this sake's sweetness, umami and well-balanced acidity enhances flavours and lighten the palate. IMA is the ideal alternative to a Chablis or a Sancerre wine. Although being a speciality to be paired with oysters, it also goes perfectly with tuna, sashimi, caviar and salmon dishes.
