CHARTREUSE LE GÉNEPI

Herbal Liqueur

A traditional digestive liqueur based on botanicals from the Alps, Génépi des Pères Chartreux is made entirely of natural ingredients, patiently elaborated by the Carthusian monks according to a secret recipe dating from the 16th century. The process includes several macerations, followed by a meticulous distillation to obtain an aromatic profile.

Tasting notes

Aroma

Herbal notes of angelica, pine, lime marmalade, peppermint, aniseed and cocoa.

Taste

The palate is dry, herbal and powerful.
