

PADRES DE LA TIERRA MEZCAL

Padre de Los Alacranes | Agave Cenizo + Sotol

Padre de Los Alacranes is not just a artisanal Mexican distillate, it's a unique creation. Crafted from a blend of Agave Cenizo and Sotol, grown wildy in the Durango estate. This distillate is made using traditional methods, resulting in a spirit with distinct mineral and earthy notes. The rich and complex flavour of Padre de Los Alacranes is best enjoyed when served pure and at room temperature. Alternatively, it can also be used as a versatile ingredient in cocktails, adding a unique twist to classic and modern drinks. Padre de Los Alacranes Batch No.1 was distilled in Durango in 2023. This is a limited edition of 3200 numbered bottles
