

CLÉMENT 1952 MILLÉSIME

Très Vieux Rhum Agricole

A true gem amongst rum collectors, this is a rare and very limited release with numbered bottles. Distilled in 1952 and aged in barrels for thirty-nine years and finally bottled in 1991. Clement's dark amber in color comes from the long aging in oak barrels, as well as its intense and elegant bouquet of dried fruit, flowers, and wood followed by hints of licorice.
