

HR GIGERMUSEUM

Absinthe 25th Anniversary

The H.R. Giger Museum is celebrating its 25th Anniversary with a new limited edition Absinthe bottling. The special release consists of only 1000 numbered bottles, composed of ten local plants from the Val-de-Travers, carefully distilled by Philippe Martin according to traditional methods and old recipes from the Belle Époque. The 2023 label by graphic designer Andy Davies features a goddess depicted in H.R Giger's 1974 artwork "The Spell II."
