

GIN SULITALIA

Caminho Do Sul | 2021 Edition

Caminho do Sul Italia captures the aroma of a perfect espresso. Created in collaboration with Omkafè Coffee roasting Factory. The bottle features a design by Hamburg tattoo artist Tobias Tietchen. The 2021 "Caminho do Sul" is a special edition inspired by the aromas of the neighbouring countries of the Mediterranean. "Caminho do Sul" in Portuguese means the "Path of the South". Caminho do Sul Italy is filled into the typical Gin-Sul clay jugs and is limited to 3,000 numbered bottles.
