KAIYO THE SHERI

Pure Malt Japanese Whisky

The second release of a special edition of highly expressive whiskies. If you appreciate sherry cask finishes, Kaiyo Sheri is for you. The Sheri is an extraordinary dram to be shared and savoured on your whisky Journey. The Sheri is made from 100% malted barley, matured in a combination of 3 casks. First filled in oloroso for eight years, transferred to Mizurana cask for another two years and finished in Pedro Ximenes for a distinctively rich and elegant flavour. Jeffrey Karlovitch - Master Blender (Previously at Chichibu) says this is one of the best whiskies he's ever blended.
