

MACALLAN FRESH COCONUT

Harmony Collection VI | Single Malt 2026

Inspired by Fresh Coconut concludes the six-part Harmony Collection in 2026. Bottled at 46.3% volume, this release uses coconut fibres in its presentation paper, with charred coir and shells providing the black colour. **MATURATION:** Sherry-seasoned American oak casks are combined with bourbon casks. Oak lactones contribute the coconut character; no coconut flavouring is added. **SUGGESTIONS:** Serve neat in a tulip-shaped glass or add a few drops of water. A small coconut pastry makes a suitable accompaniment.
